## General Comment

This is ridiculous. To limit or prevent options trading in an IRA and/or even limit or prevent providing training for such is ludicrous.

I'm 60 sixty years old and not a kid but you are treating me like a child. I took the time to learn how to do that, many courses and much reading.

And guess what buster? It's my money, not yours, so get used to that.

And you wonder why people support Donald Trump?.
